Addressable Strobe Sounder AW-D106

Product Overview

Asenware AW-D106 is an intelligent horn strobe, which can be configured with Asenware AW-FP100 Series Addressable Fire Alarm Control Panel. Each point (devices) can be given specific ID, which allows the panel to continuously monitor specific device location (point).
AW-D106 horn strobe is used for audio and visual fire signaling applications.

Product Features

- Addressable-analog communication
- Low Standby current
- High decibel rating
- Flash period of 1 sec

Technical Parameters

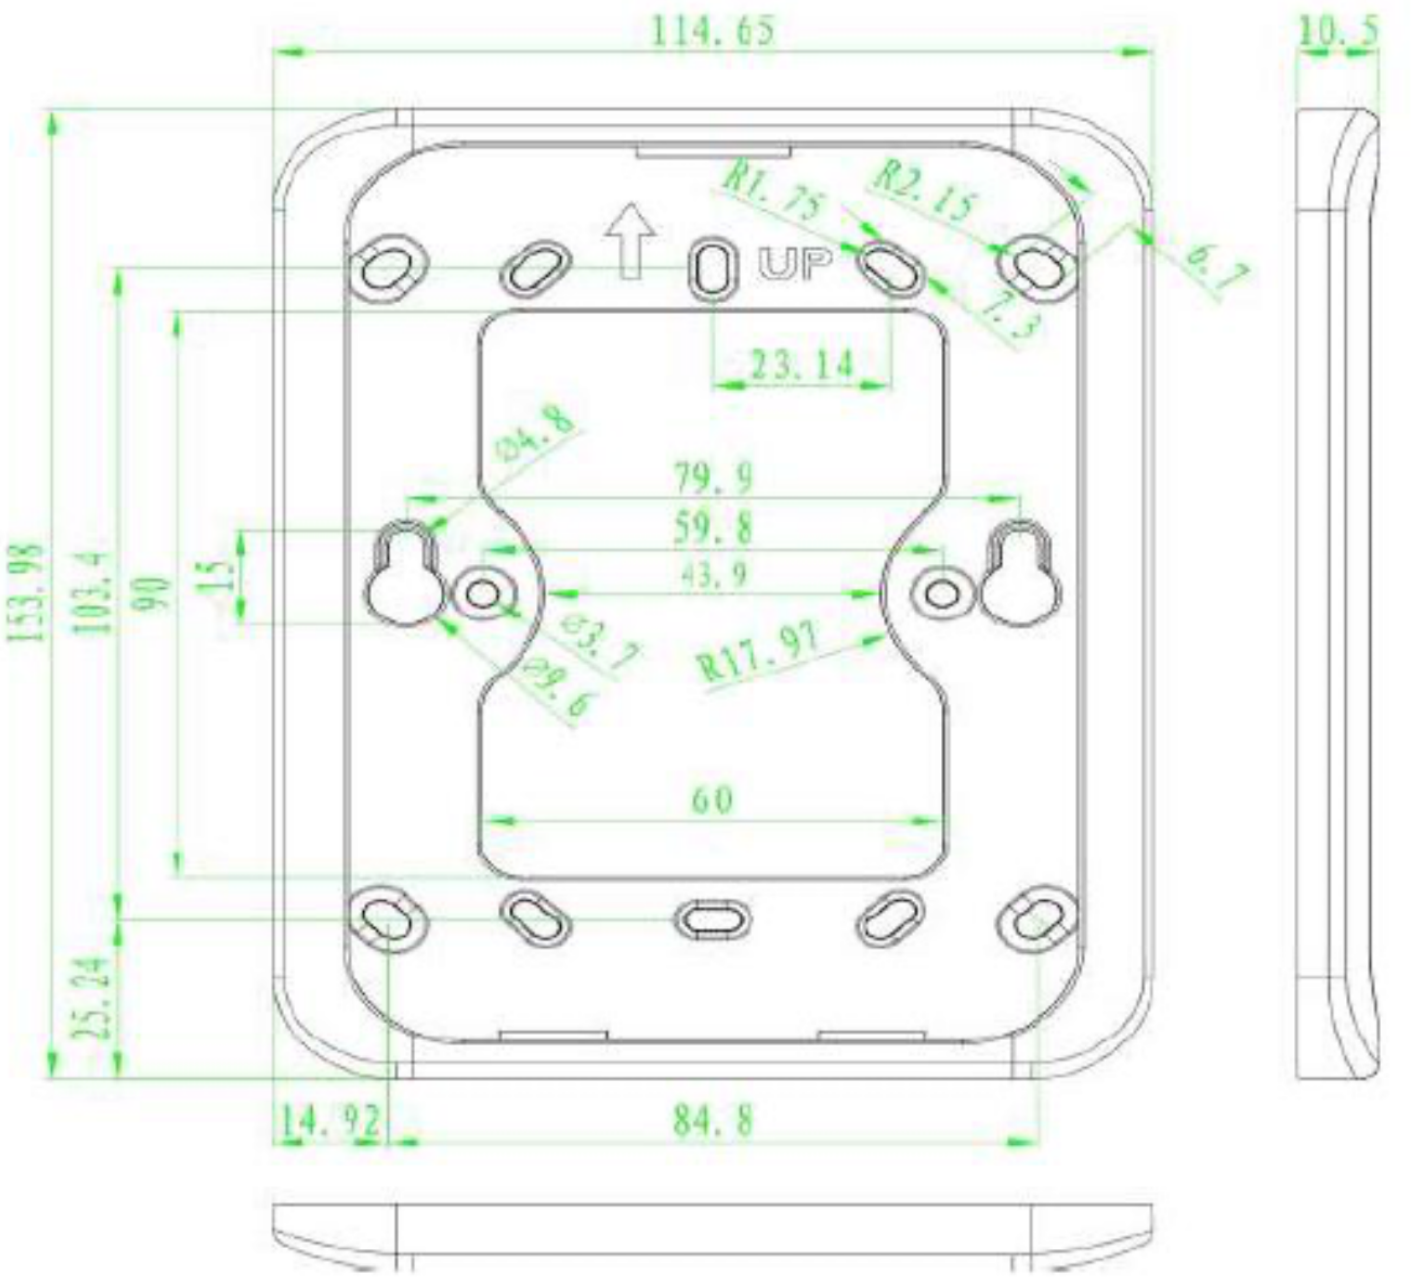

Model No.	AW-D106
D/C	1715
Operating Voltage	18V-28V DC
Work Current	10-60 mA
Standby Current	≤3 mA
Alarm SPL	≥100dB
Flash Period	≤1.0 S
Temperature	-10℃~50℃

Installation

AW-D106 addressable horn strobe comes with mounting enclosure which can be easily installed.
