SkyBell® Trim 2 Wi-Fi® Video Doorbell

SkyBell Trim 2 Wi-Fi Video Doorbell lets homeowners enjoy new levels of security, control and convenience wherever they are in the world. End users can remotely check doorbell activity in the Resideo Total Connect 2.0 App to see, hear and speak to visitors from their smartphone or tablet, regardless if the doorbell button is pressed.

The SkyBell Trim 2 Wi-Fi Video Doorbell is built to withstand harsh outdoor climates and provide impeccable video performance with sharp, clearly viewable HD color images, day or night. The trim, sleek and attractive design is also perfect for a space-constrained installation as well as a stylish addition to any home.

Homeowners who have a traditional doorbell chime can easily incorporate the SkyBell Trim 2 Wi-Fi Video Doorbell with the addition of the digital doorbell adapter*.

As part of a dynamic and growing ecosystem, the SkyBell Trim 2 Wi-Fi Video Doorbell provides security dealers with an excellent way to drive RMR and enhance their connected home offering to deliver a great user experience.

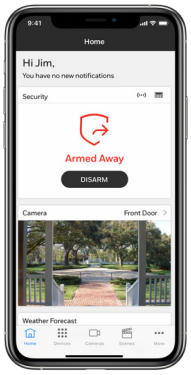

DBCAM-TRIM2

DBCAM-TRIMBR2

*Works with the Total Connect 2.0 App***

FEATURES AND BENEFITS

- **Two-Way Audio**
  Homeowners can enjoy a full, two-way conversation with visitors from their smartphone or tablet
- **Motion Sensor**
  Alerts homeowners when visitors are at their door whether or not the button is pressed
- **Full Color Night Vision**
  Homeowners can feel safe knowing they can view visitors at night in full HD color
- **On-Demand Monitoring**
  'Always on' so homeowners can start a live video stream at any time for remote monitoring
- **Silent Mode**
  Homeowners can turn off their indoor chime and receive notifications on their devices—perfect for when someone is sleeping
- **Form Factor**
  Ultra trim profile allows for a perfect fit on even the slimmest door frames
- **Connectivity**
  Supports Dual band Wi-Fi routers (2.4 GHz and 5 GHz) for easier installation
- **Mounting Option**
  Optional wedge mount allows homeowners to optimize the viewing angle of the doorbell

*Connection to a digital doorbell chime requires the use of a digital doorbell adapter (sold separately)
**Audio and high-definition video viewing accessible through the Total Connect 2.0 App
